**WE FEED
WHAT WE
SELL**

PERFORMANCE
17% All-Natural
Layer & Breeder
w/ Oyster Shells Mash

- **17% All-Natural protein complete feed for laying hens & breeders during period of egg production.**
- **Nutrient dense formulation:**
 - Traditional corn and soybean meal mash feed.
 - Oyster Shells added for superior shell quality.
 - Yeast culture added (Diamond V XP) for gut health.
 - Eco-friendly formulation - contains phytase for lower phosphorous manure.
- **For customers looking to maximize genetic potential of their flock:**
 - Higher protein and energy for flocks peaking in egg production.
 - Improved egg numbers and egg size in layers.
 - Improved body condition and feathering.
