

PERFORMANCE
DIAMOND HI-FAT
SHOW CALF
TEXTURED

Performance Diamond Hi-Fat Show Calf Textured is a hand-fed supplement designed to be used for developing calves, whether they are commercial or show quality. This ration is textured to improve palatability and is shown to provide maximum growth to your growing calves.

- 13% All-Natural Protein
- Highly digestible fiber sources added for optimal rumen function
- Ingredients include a complete protein pellet, cottonseed hulls, cracked corn, and soy oil
- Textured ration makes it easier to get calves on feed quickly. Increases feed intake for maximum growth.
- Premium additives, such as Diamond V Yeast Products, are used to improve overall health and growth
