

Performance Extra 16% Pellet

Complete feed for beef cattle

Pelleted	Uniform in every bite
Nutritionally Balanced with vitamins and minerals	Promotes development, proper growth and overall health
Available Medicated	Bovatec or Rumensin
Bag Size	50 lbs
Tag Color	Green

Performance Extra is utilized in the development of heifers before breeding season. Feeding 16% Performance Extra prior to breeding will ensure that those animals intake adequate energy to cycle properly and lead to a successful bred heifer or cow. This ration also works well in all stages of cattle production where there is a need for a higher protein and energy.

Performance Extra 16% Pellet

For Growing and Finishing Cattle

GUARANTEED ANALYSIS

Crude Protein.....	Min	16.00 %
Crude Fat.....	Min	3.50 %
