

Performance 14% High Energy Feeder Blend

Complete and Supplemental feed for beef cattle

Pelleted	Uniform in every bite
Contains all natural proteins	Ideal for supporting optimal development
Available Medicated	Bovatec or Rumensin
Bag Size	50 lbs
Tag Color	Red

This formula is built on the same platform as the 13% Feeder blend, but also has Dry Distillers Grain added to boost the fat level to 4%. This ration is designed for maintenance and a development ration of all stages of cattle production. High Energy Feeder Blend also works well as a feed for raising cattle for freezer beef because of its heightened energy level.

Performance 14% High Energy Feeder Blend

For all stages of cattle production
